Parent / Guardian (to read & Sign):

I understand that the internet can provide students with valuable learning experiences. I also understand that it gives access to information on computers around the world, that the school cannot control what is on those computers and that a very small part of that information can be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe _____ (name of Student) understands this responsibility, and I hereby give my permission for him/her to access the Internet under the school rules, I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some times.

I understand that this form is valid for the term of my child's enrolment at Alexandra Hills State School.
