This school community provides a chaplaincy program endorsed by the schools P&C Association and is available on a voluntary basis to all students. The chaplain is involved in a range of activities which happen at this school which are free from religious, spiritual and/or ethical content. These activities are available to all students on a voluntary basis unless a parent/guardian requests in writing that this is not to occur for their child/ren.

Chaplains may also be involved in activities with religious, spiritual and/or ethical content and additional consent is sought from parents/guardians for these specific activities.

Information about the school's chaplaincy program is on the school's website. Prior to commencement of any additional activities with religious, spiritual and/or ethical content in the school, parents/guardians will be advised through the school newsletter and website.
