LEVEL TWO STUDENT DRESS CODE VIOLATION

Our school community has agreed on a dress code for our students. These expectations promote the good image of our school and encourage to enhance and uphold that image.

Today, your child did not comply with the dress standards identified in the *Alexandra Hills State School Student Dress Code* (attached) by:

- Not wearing the school polo shirt
- Wearing the wrong coloured jumper/jacket
- Not wearing royal blue shorts/skirt/skort
- Not wearing royal blue broad brimmed hat
- Not wearing white socks that cover the ankle
- Not wearing black standard school shoes
- Wearing additional colours in the shoe laces
- Wearing their house polo shirt on the wrong day
- Wearing their sport shoes on the wrong day
- Wearing incorrect earrings
- Wearing additional earrings/jewelry
- Allowing additional piercings to be visible
- Wearing an inappropriate hairstyle
- Wearing coloured nail polish.

This in a repeat offence. Failing to abide with the standards identified in the *Alexandra Hills State School Student Dress Code* will result in your child facing the consequences of non compliance. If there are reasons why your child is unable to wear the full school uniform, please contact the Principal to arrange a workable solution.
